

FAMILIES SUMMIT OF MINDS 2026

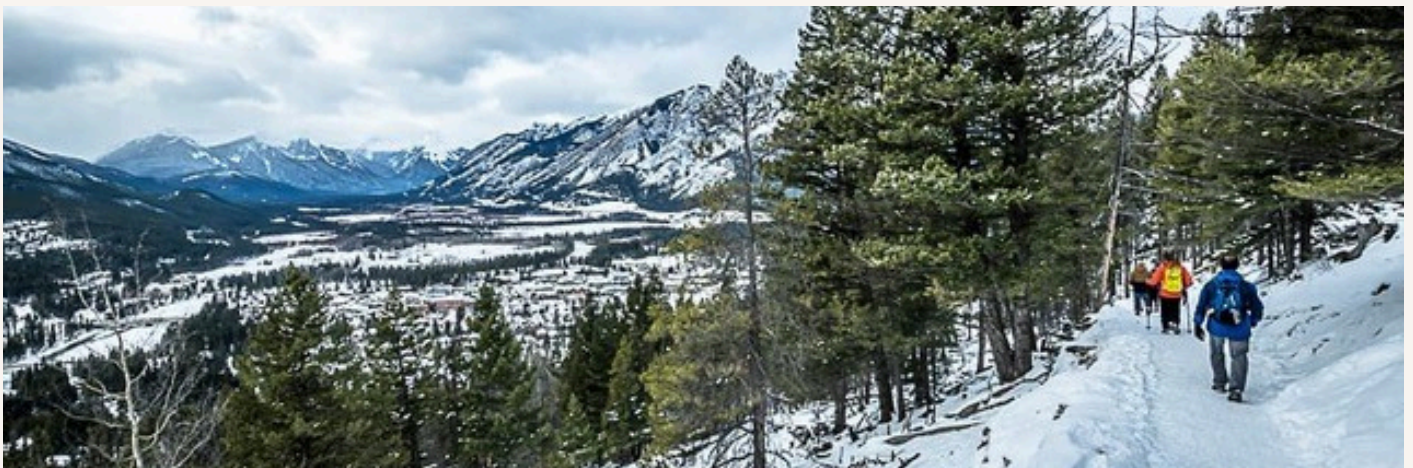

BANFF, AB

For leaders of Canadian family enterprises, next-generation visionaries, family business owners and thought leaders.

Join us for the **Families Summit of Minds 2026**
Banff, Alberta: November 20-22, 2026

Learn more: kinnect.familyenterprise.ca/fsom-2026

ENGAGING SESSIONS

Ideas that Challenge. Conversations that stay with you.

Each session will combine high-level thinking with an exceptional network and mind-stretching conversations in an informal atmosphere defined by mutual trust.

A FEW THINGS WE'LL EXPLORE:

How do we rethink prosperity? Zita Cobb brings a place-based perspective on business, community and creating lasting prosperity

What does it take to build an enduring enterprise? Ivan Lansberg and Devin deCiantis explore the forces that help family enterprises thrive through turbulence and across generations.

What does the next chapter look like? Chip Conley challenges conventional thinking about age, experience, purpose and the value of intergenerational exchange.

TAKE HOME: ONE NEW IDEA. ONE NEW FRIEND. ONE NEW ACTION.

WALKSHOPS & FIRESIDE CHATS

Keep the conversations going, surrounded by nature.

Step into Banff's breathtaking landscape for guided "walkshops" that combine movement, reflection and conversation. Then, as the day winds down, gather around the fire for intimate Fireside Chats with remarkable thinkers and leaders.

WALKSHOPS

Ideas in Motion

Guided walks through Banff's extraordinary landscape will create a different kind of space for conversation. Away from the conference room, participants will explore big questions, exchange perspectives and make connections while experiencing the landscape that surrounds us.

FIRESIDE CHATS

Unwind, Connect and Go Deeper

Evenings will bring the group together for relaxed, candid conversations with inspiring leaders and thinkers. No podium. No formal presentation. Just good questions, different perspectives and the kind of conversation that continues long after the fire goes out.
